

GUEST TESTIMONIALS

We wanted to send a note to tell you how much we appreciate the last minute addition of the continental breakfast and the wine and cheese party to our trip to San Francisco yesterday. It added so much to the overall enjoyment that we had looked forward to when making the reservations.

We also want to tell you how much we enjoyed Daniel for our Yosemite trip and the San Francisco trip. He will remain in our memories of making our visit to Lake Tahoe such a success and a "fun" vacation. He is very knowledgeable and his easy-going persona is a great plus for the long trips. Also, his love for this part of the country shines. And we were fascinated with his ability to prepare delicious snacks & meals in short order. You have a "gem" in him.

Again--thanks and we will recommend your Company to any of our friends that are headed to this beautiful area.
